

## **PECAN VALLEY GROUNDWATER CONSERVATION DISTRICT**

### **Notice of Proposed Permit Issuance and Public Meeting**

Notice is given in accordance with Chapter 551, Government Code and Texas Water Code Section 36.404 that the Pecan Valley GCD Board of Directors will hold a public meeting on March 19, 2024 at 9:30 a.m. at the District Office, located at 1009 N. Esplanade St., Cuero, TX. The purpose of the meeting is to conduct regular District business and hear public comment and consider possible issuance on the following permit applications. All applications are for the beneficial use for Mining Oil and Gas.

Operating Permit Application from BPX Properties on Keyes F Too, LLC property. The Application requests an annual production of 20 Acre-Feet of water per year from this water well. This property is located on Oliver Rd near Cuero and involves 40 acres.

Operating Permit Application from BPX Properties on Pamela Boenig Hartman Credit property. The Application requests an annual production of 20 Acre-Feet of water per year from this water well. This property is located on Boldt Rd. near Cuero and involves 217.35 acres.

Operating Permit Application from BPX Properties on John Kahlich Family Trust property. The Application requests an annual production of 30 Acre-Feet of water per year from this water well. This would be a combined total of 216.89 Acre-Feet of water per year from four water wells. This property is located on Boldt Rd. near Westhoff and involves 732.69 acres.

Operating Permit Application from BPX Properties on Lloyd Letty Hartman Exempt Trust property. The Application requests and annual production of 40 Acre-Feet of water per year from this water well. This property is located on FM 2816 near Westhoff and involves 330 acres.

Operating Permit Application from BPX Properties on David and Brenda Arndt property. The Application requests an annual production of 40 Acre-Feet of water per year from this water well. This property is located on Dubose Ranch Rd. near Westhoff and involves 654.57 acres.

Operating Permit Applications (2) from BPX Properties on Natho Hill Top Farm, LLC property. The Applications request an annual production of 41.8 Acre-Feet of water per year from each water well. This would be a total of 83.6 Acre-Feet of water per year from two water wells. This property is located on Hwy 87 near Westhoff and involves 365.97 acres.

Operating Permit Application from BPX Properties on Bar V Bar, LLC property. The Application requests an annual production of 45 Acre-Feet of water per year from this water well. This would be a combined total of 245 Acre-Feet of water per year from six water wells. This property is located on Elder Rd. near Cuero and involves 956.07 acres.

Operating Permit Applications (4) from BPX Properties on Cottonmill Trust property. The Applications request an annual production of 40 Acre-Feet of water per year from each water well. This would be a total of 160 Acre-Feet of water per year from four water wells. This property is located on Boldt Rd. near Westhoff and involves 608.59 acres.

Operating Permit Application from BPX Properties on William T. Oliver property. The Application requests an annual production of 91.2 Acre-Feet of water per year from this water. This property is located on Bellevue Cemetery Rd. near Cuero and involves 182.4 acres.

Operating Permit Applications (3) from BPX Properties on Robert Oliver property. The Applications request an annual production of 255 Acre-Feet of water per year from three water wells. This would be a combined total of 295 Acre-Feet of water per year from four water wells. This property is located on Bellevue Cemetery Rd. near Cuero and involves 1414.84 acres.

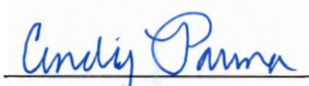

Operating Permit Applications (4) from BPX Properties on Oliver Ventures property. The Applications request an annual production of 321.4 Acre-Feet of water per year from four water wells. The construction of wells complies with District Rule 8.1 regarding additional production limits on deep wells. This property is located on Bellevue Cemetery Rd. near Cuero and involves 443 acres.

Operating Permit Applications (4) from BPX Properties on Oliver Ventures property. The Applications request an annual production of 189.36 Acre-Feet of water per year from four water wells. The construction of wells complies with District Rule 8.1 regarding additional production limits on deep wells. This property is located on Bellevue Cemetery Rd. near Cuero and involves 198.7 acres.

Drilling and Operating Permit Applications (2) from BPX Operating Co. on BPX (Eagle Ford) Gathering, LLC property. The Applications are requesting 273.07 Acre-Feet per year from each water well. The proposed construction of both wells will comply with District Rule 8.1 regarding additional production limits on deep wells (approximate depth of 5,500 ft) and operating permit amounts will be contingent on lab analysis of Total Dissolved Solids. The property is located on Elder Rd. near Cuero and involves 273.07 acres.

Any person who intends to contest a permit application must provide written notice to the District at 1009 N. Esplanade, Cuero, Texas 77954, at least three business days prior to the proposed date of issuance and include all requested information in District Rule 15.5.1 (a-c). For information on permit applications, contact Cindy Parma at (361) 275-8188 or at the District office, 1009 N. Esplanade, Cuero, TX.
